

RESOLUTION R-97- 53

WHEREAS, the study and development of an ordinance for the location of wireless communication towers is an important issue for the health, safety, and welfare of the citizens of Conway; and

WHEREAS, the City Council desires to study this issue carefully; and

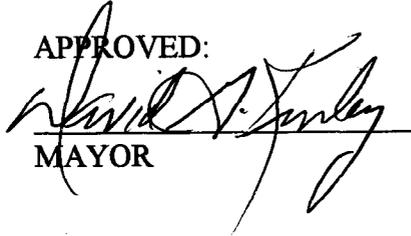

WHEREAS, a 90 day moratorium on the processing of applications and the granting of tower siting permits of new wireless communications towers in the City of Conway would allow the Council ample time to study the situation and better ensure the safety of its residents.

NOW, THEREFORE, BE IT RESOLVED:

That the City Council places a 90 day moratorium on the processing of applications and the granting of tower siting permits of new wireless communication towers in the City of Conway, beginning with the passage of this resolution.

PASSED this 25th day of November, 1997.
